INTRODUCTION

There are many believers who are used mightily by God in the advancement of His kingdom through the preaching of the Gospel confirmed by mighty signs, wonders and miracles, who are still struggling seriously in their finances. I am not ashamed to acknowledge that I have been one of them. I have been in the ministry since 2012 and have experienced a lot of financial frustrations. While doing the work of God, I have been kicked out of an apartment because I could not pay the rent. I have walked long distances because I did not have a dime to catch a taxi. I have borrowed a bicycle without brakes so I could follow up on someone I led to Jesus, not in a village but in East London-South Africa. While I was in Bible School I had to live in a Safe House with drug addicts because I was evicted from an apartment I was renting for non-payment. I do not want to bore you with a lot of depressing stories, but I just want to prove to you that even the 'most anointed' of believers can struggle with their finances. Thank God my story is no longer

the same. As I continued to seek the face of God in prayer, He revealed to me what to do to come out of my financial hardships, and begin to enjoy His supernatural provision. I began to put them to work and I was no longer struggling to have ends met. Today, by His grace, my needs are not only met, God is using my family to provide for other people's needs. I believe your own testimony will be better than mine as you put the things you learn in this book to work.

God instructed me to write this book because He wants to bail His children out. I believe God will give you a financial breakthrough as you apply the instructions He will be giving you in this book. He is a God of miracles. His miracles are not limited to the restoration of broken bodies or minds. He is concerned about our total wellbeing as His children. I am standing in agreement with you for a miracle. Some of you will experience instant breakthroughs, others will come after a short time, but I ask you to share your testimony with me, as I intend to have an entire chapter in the Second Edition of this book that will be just for testimonies of financial miracles that will come from reading this book.

I pray for you right now, that God will destroy the hold of the devil on your finances and open up for you the

windows of heaven for the rain of financial favor, in Jesus' mighty name. Amen.

CHAPTER 1

GOD WANTS YOU FINANCIALLY WELL-OFF

The first thing The Lord wants you to know is that He cares about your peace of mind. From my personal experience, nothing steals our peace and happiness like not being able to meet our financial obligations. The lack of money drains one of physical and emotional energy. Financial frustration leads to a lot of physical and mental health problems that end up taking people's lives. The lack of money is connected to a lot of problems in marriages. A lot of ministries are limited in scope and impact because of the shortage of funds. Many churches close their doors every year due to financial difficulties. When the children of God prosper, they are able to give to the work of God in their local churches and other ministries that spread the Gospel. So, God is committed to putting money in our hands. He gives us seed to sow so we can reap financial blessings (2 Corinthians 9:10).

“For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope.” - Jeremiah 29:11

God wants you to have peace of mind. He is not pleased with your financial challenges. He does not use poverty to teach His children a lesson. Do not believe the lies of the devil. Poverty, lack and want do not produce the fruit of the spirit. Jesus suffered on the cross for your financial well-being.

“For you know the grace of our Lord Jesus Christ, that though He was rich, yet for your sakes He became poor, that you through His poverty might become rich.”

2 Corinthians 8:9

Jesus took your poverty and gave you His riches. He is happy when you are happy and unhappy when you are sad. Your worries and anxieties as a result of your financial circumstances touch His heart and He wants to bail you out of it.

“For we do not have a High Priest who cannot sympathize with our weaknesses, but was in all points tempted as we are, yet without sin.” - Hebrews 4:15

Jesus sympathizes with you when you are in dire financial straits. He feels what you feel because He understands exactly what it means to be in that situation. He

is not happy when you can't pay your bills or when you are behind. Remember He neither sleeps nor slumbers (Psalm 121:4), so He is awake with you when you are awake all night worrying about your finances.

“As a father pities his children, so the Lord pities those who fear Him” - Psalm 103:13

God feels compassion for you when you are in financial distress. He is a responsible father. He does not just feel compassion and say “oh my child is suffering, for how long will this suffering continue, oh, I wish there is something I could do to alleviate this suffering...” No! He is a committed, active Father. He does something to change the situation. When Jesus had compassion on people, He healed them, He did something. God does not only have compassion, He is willing to do something (Matthew 14:14; 20:34).

“Or what man is there among you who, if his son asks for bread, will give him a stone? Or if he asks for a fish, will he give him a serpent? If you then, being evil, know how to give good gifts to your children, how much more will your Father who is in heaven give good things to those who ask Him!” - Matthew 7:9-11

God is not a passive, careless Father. He is a giver. He is a miracle worker. He is committed. His desire is to see you happy and fulfilled. His desire is to see you prosperous and

in good health spirit, soul and body (2 John 1:2). The next time you are in a dire financial situation, remember that God wants you out of every form of financial pressure.

Speak to your mind *“God is not responsible for this financial stress, and He has a way out of it for me. Be still my soul because I am coming out victorious. Father, show me what I must do to come out of this financial pressure victorious, in Jesus’ name. Amen.”*

Right now I decree an end to every form of financial tension in your life. Now I release the anointing for increase upon your life and declare that your eyes are open to see the door that God has opened for you. In the name of Jesus Christ, I command the mighty angels of God, who carry out his plans and listen to His command (Psalm 103:20) to move now and begin to organize divine connections, divine opportunities and divine favor. I call all your needs met according to His riches in glory by Christ Jesus. Receive an instant divine intervention, in Jesus' name. Spend some time praying in the spirit and declaring these over your life.

CHAPTER 2

WHAT IS A FINANCIAL MIRACLE

Financial Miracle is God's 'Bailout System' for His children. Investopedia.com defines a bailout as "when a business, an individual, or a government provides money/or resources (also known as a capital injection) to a failing company." These actions help to prevent the consequences of that business's potential downfall which may include bankruptcy and default on its financial obligations.

No child of God or the organization they represent should sink financially. The businesses of children of God are not supposed to go bankrupt. No ministry or church ordained by God should ever fail because of a lack of financial supplies. This is because God has made provision for the supernatural supply of all of the needs of His children according to His riches in glory by Christ Jesus. You are not supposed to sink. Jesus was never stranded financially. He never lacked resources. When He had only five loaves of

bread and two fishes, He used it to feed over five thousand people and had left overs (Matthew 14:13-21). When wine ran out at a wedding He attended with His disciples, He intervened and the people had more wine than they needed (John 2:1-11). The same Jesus lives on the inside of you today. He is the same yesterday, today and forever (Hebrews 13:8). He still multiplies little resources to accomplish big projects. He still saves people from embarrassment. Not only does He heal our bodies, He also heals our finances. Call upon Him like Mary did, and He will save the day, Hallelujah.

A financial miracle is God's provision to bring you out of your financial wilderness into your promised land, a place where there is no lack or scarcity. It is God's divine intervention in your day of need. It is God opening for you a door of escape from financial stress and embarrassment. It is available right now if you learn how to tap into it. Jesus the miracle worker is closer than you think. Those who call on Him do not sink. Peter called on Him and He reached out and saved Him from drowning. Child of God you do not have to drown in that ocean of debt. You do not have to borrow to pay your debt, Jesus can cancel and clear them off. For someone reading this right now, you will soon receive a message that all your debt has been canceled. In the name of Jesus Christ, I command the mountain of debt facing you to

be removed and cast into the sea. I command the angels of God assigned to you at redemption to go and clear off your debt in Jesus' name. Someone reading this will be called by your creditor that you do not have to pay that debt any more. If you receive this, take ten minutes and pray in the Holy Ghost, declaring "I command you debt to clear off in Jesus' name. My God pays my debt, in Jesus name." Hallelujah.

I sense the anointing of God as I write this right now. Drop this book and spend some time praying, and calling on Jesus the miracle worker to perform a miracle in your finances. Pray in the spirit and in your understanding. Curse the root of poverty in your life. Resist the devil and command him to lose his hold on your finances. Command the angels of God to go and cause money to flow in your direction. Command anyone holding your money to release it now. Speak financial favor over your life, your family, your business, and your ministry. Declare an end to every cycle of financial misfortune in your life. An end has come to your days of smallness and frustration, in Jesus name!

WHO NEEDS A FINANCIAL MIRACLE?

Whether you are at the bottom of the barrel in your finances or you feel that you are doing pretty well you need a financial miracle. If all your financial breakthroughs are JUST the result of YOUR hard work, skill, education or human connection, then you are missing a lot. I am about to give you a list of people who need financial miracles. It is not an exhaustive list but they are the ones the Lord led me to identify and discuss.

If your financial problem is a result of your mistake or bad financial stewardship then you need a financial miracle to fix it and give you a new beginning.

If you need more resources than you currently have in order to expand and take your business to another level, you need a financial miracle.

If your business is on the brink of bankruptcy you need a financial miracle. If your business is having trouble paying her bills, then you need a miracle.

If you do not have any way of getting capital to start a new business, then you need a financial miracle.

If you are struggling to come out of any form of debt you need a financial miracle.

If your financial responsibilities are bigger than your

income then you need a financial miracle.

If you are the head of a ministry, you will always have projects bigger than your physical ability to accomplish. You definitely need to live under an open heaven where there is a ceaseless flow of finances to fulfil the vision God will be giving you from time to time. You have to build your faith to receive financial breakthroughs, as everyone in your organization will always look up to you whenever any need arises.

If like me, you are a Missionary without any church or group of people standing behind you to support you financially, you really need a financial miracle otherwise you may have a lot of struggles.

If you are running a Bible School or any organization that trains people for the work of the ministry, you are Satan's worst nightmare, and he will release his best weapons to frustrate you in your finance. You need a financial miracle.

If you run a charity organization like an orphanage, you need a financial miracle otherwise you and the kids may starve.

If you have been struggling to complete a project for a long time and finances are no longer flowing to complete it, you need a financial miracle.

If your salary/income is not enough to build a house for

your family, you need a financial miracle.

If you are unemployed you need a financial miracle. If you are self-employed, the life of the business 'depends' on you. You will have to make Jesus the miracle worker your Number One business partner to keep the business up and running.

You need a financial miracle if your finances have been impacted by the Covid-19 pandemic.

The good news is that the miracle worker is with you. You just need to find out from Him what to do to receive your miracle at every point of need.

In the next two chapters you will be learning some keys to financial miracles. These are the keys God has revealed to me, some of which I have applied since I left my parents in 2002. I have never been stranded. God has always come through for me. God is no respecter of persons, if you apply these keys they will produce various dimensions of financial miracles for you, in Jesus name.

CHAPTER 3

THE JAR OF OIL

God performs miracles every second of every day. He has no limits. Nothing is impossible with Him and nothing is too difficult for Him to do (Jeremiah 32:27; Luke 1:37). There is no situation He cannot turn around for you. There is no height He cannot take you. There is no amount of money too big for Him to give you. He can make a millionaire out of a beggar in one day. You can be a homeless person today and a house owner tomorrow. You can be unemployed today and be a CEO tomorrow. It does not take time, it takes God. God can give you, in one day, what would have taken another person a lifetime to get. God does not know limitations. He can break every human protocol to promote you and He is willing to do it. Joseph was a slave and a prisoner one night, and in less than 24 hours he was the second most powerful man in the strongest nation on the earth. He did not have a university education neither did he have any year of experience. The hand of God lifted him from the dungeon and placed him on a throne.

I know this is for someone reading this book, "there is nothing that disqualifies you for destiny." Destroy every self-imposed limitation. You were born for greatness, you have in you the potential to accomplish what nobody else on earth has done. Take your eyes off your present circumstances and your past misfortunes and lift up your eyes to heaven, from where your help comes from. You qualify for a miracle and you will receive one. This is your year of supernatural turn around.

For the person who thinks he has achieved a lot already, God is asking you to look at the multitudes of people around you who are in need. Many of them are waiting for you to give them a hand, and pull them up. You have not reached 10% of your potential. Multitudes of destinies are connected to you. "I have called you to partner with me, says the Lord, to bind up the brokenhearted, to proclaim liberty to the captives, and to open the prison to them that are bound. I want to bless you so much and use you as my channel of blessing to many. So, look up to me and look down on your world with my eyes, see the naked that need to be clothed, see the hungry that need to be fed, see the prisoners that need to be visited. When you reach out to them, then I can touch them. Open your heart and open your mouth and say "yes

Lord, I am available”, and I will give you the hidden riches of secret places, and I will make you a father to the fatherless, help for the needy, sight for the blind and through you, those who sit in darkness shall see the light of life.” Hallelujah.

Let's go back to the keys to financial miracles. We shall take our text from **2 Kings 4:1-7**

“A certain woman of the wives of the sons of the prophets cried to Elisha, saying, “Your servant my husband is dead, and you know that your servant feared the Lord. And the creditor is coming to take my two sons to be his slaves.” So, Elisha said to her, “What shall I do for you? Tell me, what do you have in the house?” And she said, “Your maidservant has nothing in the house but a jar of oil.” Then he said, “Go borrow vessels everywhere, from all your neighbors – empty vessels; do not gather just a few. And when you have come in, you shall shut the door behind you and your sons; then pour it into all those vessels, and set aside the full ones.” So, she went from him and shut the door behind her and her sons, who brought the vessels to her; and she poured it out. Now it came to pass, when the vessels were full, that she said to her son, “Bring me another vessel.” And he said to her, “There is not another vessel.” So, the oil ceased. Then she

came and told the man of God. And he said, “Go sell the oil and pay your debt; and you and your sons live on the rest.”

Before I give you the keys that God has given me, I like to point out some things from this text which I believe would bless you tremendously.

The story is about the wife of a man of God who was about to lose her two sons to her late husband’s creditor. Her late husband was probably a bad steward of financial resources, and died leaving his family with a huge debt to pay. This tells us that being a child of God does not exempt us from the consequences of wrong choices. This man is a picture of many Christians today. They love the Lord and even have the very faith of Christ – the highest quality of faith available in the universe. They have the gifts of God manifesting in their lives and ministry. They have potential to accomplish so much in life by reason of the Excellent Spirit at work in them, but for some reason they fail to maximize that potential and become underachievers.

As believers, we must trust God to be debt free. Romans 13:8 in the Amplified Bible, Classic Edition says “Keep out of debt and owe no man anything...” The first step out of indebtedness is to believe that you can do without borrowing.

There is nothing God cannot give you. As long as you think that you cannot do without borrowing you will keep on borrowing. As a man thinks in his heart so he is. That is all I can say about that. May God give you understanding in Jesus' name.

The widow came to the Prophet Elisha for help and Elijah asked her a very important question "What shall I do for you?" and before she got a chance to respond he asked her a second question "Tell me, what do you have in the house?" This is a very important principle. The seed for the financial breakthroughs you are looking for is already in you and around you. You need to pray for the Spirit of Wisdom and Revelation, so you would be able to discover what that seed is and also to know where and how to plant in for your desired harvest of breakthrough. There is a gift in you, an ability, or idea God has put in you that is for your material prosperity. Like this woman, the seed God has given you may look like nothing, but in it is your abundant harvest. Nothing God has given to you is valueless. For someone reading this, the seed capital you need to start a business is in your garage. You may have to sell the other car and start a small business, and with the hand of God on it you will soon become a multimillionaire. Little becomes great when God's hand is on it. There is something precious in your house that you may

need to turn to a seed for ceaseless income. The seed you need is in your house.

“Go borrow vessels everywhere.”

This talks about capacity building. God does not waste His resources. God does not only care about the 10% of your income, for example, He is also interested in what you do with the remaining 90%. We must learn how to manage and multiply financial resources. In the remaining 90% there is what to eat and what to sow. There is what to invest and what to save. We need to discover how to trade with the talents God has given to us. Remember the parable of the talent. Do you know where to invest a million dollars if God gives you one today, for example? If you cannot answer this question without needing some time to think, then you need to ‘borrow empty vessels’ because God will not allow His oil to be spilt on the ground. Learn how money works. Learn how to invest. Learn how to save. Do not be the reason why money is not coming your way. God is ready and willing to supply, are you ready and prepared to receive? The moment the last vessel was full the oil stopped flowing. Could it be that you are responsible for where you are today financially?

“And when you have come in, you shall shut the door behind you and your sons...So she went from him and shut the door behind her and her sons, who brought the vessels to her...”

There is a spiritual law of ‘divine instruction’ that governs financial prosperity.

Elisha instructed the woman to shut the door behind her when she will be pouring the oil into the vessels, and she did exactly that. Sometimes we are not experiencing financial increase in our lives because of disobedience or partial obedience. There will always be something to do to receive any blessing God has made available to us in Christ. For example, if we do not confess with our mouth the Lord Jesus and believe in our heart that God raised Him from the dead we will never be saved. In the same way, God will always tell you something to do to receive financial blessings. Some of those instructions are already written in the Bible, some others will be revealed to us from time to time. God has instructed us to give so that we can receive (Luke 6:38). There are different forms of giving He prescribed. We are commanded to give God 10% of all our income (Malachi 3:10-11) and there is a blessing attached to it which we will never receive if we do not obey. We are also

instructed to give to the poor and when we obey this instruction, we shall not lack (Psalm 41:1-3, 19:17, 112:9-10). One of the main reasons born again people struggle financially is because of disobedience to the instruction of giving. You don't receive by just praying and fasting. Prayer is one of the ways we water the seeds we have sown through our giving. If you do not have any seed in the ground and you keep pouring water on it all you will receive is weeds. I will tell you more about giving when I begin to discuss the keys to financial miracles. You have to learn how to hear from God if you want to enjoy financial prosperity. This is because whenever you ask God for money He gives you and instruction on how to receive it. There is no money in heaven because there is no need for it up there. The money you need is down here on earth. So, there is a place to go to receive it. There is something to give to receive it. Money is simply what we get in exchange for goods or services. Even if you are a Pastor or a Missionary like me, you must give something to get money in return. There is what my Father in the faith Dr David Oyedepo calls 'The Law of Spiritual Impact' in his book 'Exploits in Ministry'. It is drawn from Paul's writing to the Corinthians: **"If we have sown into you spiritual things, is it a great thing if we shall reap your carnal things?"** (1 Corinthians 9:11). I love the way the Good News Bible puts

it “We have sown spiritual seed among you. Is it too much if we reap material benefits from you?” As a Minister of the Gospel, you only qualify for material benefits, which includes money, if you have sown spiritual seed. This is why nobody is obligated to give to your ministry if your ministry has not been a blessing to him. But according to the Law of Spiritual Impact, the more you are committed to being a blessing to people the more they respond to you in appreciation with their finances. If they refuse to give to you, God will still open another channel for you to receive because this law cannot be broken. One Minister of the Gospel in America was praying and asking God to send money to his ministry and God gave him this instruction, “Stop looking for ways to get the money in, instead start looking for more ways to get the word out, and you will have all the money you need for ministry.” This is so powerful servant of God. I learnt this principle early in my ministry and I can tell you with all honesty, it has been my greatest secret for financial supplies. I do not wait for people to come to me before I minister to them, I fast and pray, and get a word from God and take it to the people through every available medium. I use my social media platforms very well. Very soon I will be preaching daily on my podcast platform - ‘Have Dominion’. I will build up the faith of believers every day of the week through my

teachings. As I grow in impact I will grow in my finances. You are reading this book because I have invested my time, energy and resources to put these words into writing. I am so convinced that this book is already blessing you because I prayed earnestly for you to receive financial breakthroughs after reading it and even while you are reading it. I made it available for free download and permitted people to share it to anyone they think needs it. I expect you to give back to my ministry as the financial miracles begin to roll in. But even if you do not give to me, God will cause finances to come to me via several other channels. This is a spiritual principle and it can never be broken.

So, find several avenues to take the message God has given you to as many people as possible. Take the anointing of God on your life to the world for healings, deliverances and breakthroughs. Receive grace to do this now, in Jesus' name.

For someone reading this who is unemployed and desires to work, I command multiple jobs openings for you within the next ten days in Jesus' name. May the favor of God break every protocol and create divine opportunities for you. Take some time now and pray for divine favor, divine

direction, divine connection, and divine opportunities. Pray in the spirit until you sense that it is done.

For someone else, if you would listen to God carefully, He will tell you that you do not need to get a job, instead he wants you to use the knowledge and skills you have to start your own business. Do not be afraid to start small. It is the blessing of God that makes a small business a big one. His blessing will make you rich in Jesus' name. I pray for a financial miracle for seed capital right now, in Jesus' name.

Divine instruction is key to supernatural prosperity. Wait on the Lord in a fast and find some instructions from His word for you. For example, the two scriptures God has given to me for my financial prosperity are Matthew 6:33 "But seek first the kingdom of God and His righteousness, and all these things shall be added to you." and Job 36:11 "If they obey and serve Him, they shall spend their days in prosperity, and their years in pleasures." As long as I make serving God and the expansion of His kingdom my number one priority, I will never stop receiving financial blessings from Him. And the more I remain diligently committed to it, the more the blessing increases.

You must camp with God to receive instructions from Him. It may be as simple as taking another job or as

demanding as leaving the city you grew up in, but no matter what the instruction is, there is grace for obedience and a blessing to receive.

**“Go sell the oil, pay your debt; and you and your sons
live on the rest.”**

We are not supposed to live from miracle to miracle. When the children of Israel were in the wilderness, God was literally raining food and meat from heaven. When they needed water, He caused water to come out of the rocks. They were living from miracle to miracle, but as soon as they got into the Promised Land - Canaan, the manna ceased. They now had to grow their own crops if they must eat.

**“Then the manna ceased on the day after they had eaten
the produce of the land; and the children of Israel no
longer had manna, but they ate the food of the land of
Canaan that year.” - Joshua 5:15**

God expects you to multiply His blessings on your life. Do not use up the finances God brings into your life. I will come back to it later.

SEVEN KEYS TO FINANCIAL MIRACLES

These are not 'The Keys' to Financial Miracles. There are many others, but these are the ones the Holy Spirit has instructed me to share, probably because these are the ones that have worked for me. We are not only called to practice what we preach but also to preach what we practice. I believe these keys will produce daily financial miracles for you as you engage them, in Jesus' name.

1. Pray for the Mercy of God

Many times, we are the architects of our financial misfortunes. The truth is that no one in his right mind would deliberately put himself in a stressful situation, so we may have unconsciously done somethings that have put us in a financial tight corner. It could be due to unethical shopping, substance abuse, wrong investing, gambling, or any other

wasteful behavior. It might even be that we gave Satan access into our lives through a sinful behavior. Now he has an open access into our finances to steal, kill and destroy. Other times, when we shift our trust from God to man, including our employer or even ourselves, things begin to go wrong. Before we begin to bind the devil the devil, we first need to ask God to forgive us. God never ignores a cry for mercy. Everyone who cried to Him for mercy God His attention. The mercy of God will undo our mistakes and put us back in right standing with God. Asking for mercy will cleanse our conscience.

“If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.”

1 John 1:9

We are stewards of the resources God brings into our lives. If we have mismanaged them in any way, we need to confess that. Whatever areas you have given place to the devil, confess them and repent. It is very important that we humble ourselves before the Lord so that He can lift us up.

2. Ask God for a Miracle

“Let us therefore come boldly unto the throne of grace that we may obtain mercy, and find grace to help in the time of need” (Hebrews 4:16). “Therefore I say to you, whatever things you ask when you pray, believe that you receive them, and you will have them” (Mark 11:24). “But let him ask in faith, with no doubting, for he who doubts is like a wave of the sea driven and tossed by the wind. For let not that man suppose that he will receive anything from the Lord” (James 1:6-7).

Most of the people who received miracles during the earthly ministry of Jesus asked in faith. We have to cry out to God to intervene in our financial situation. He is willing and able. As a matter of fact, He has already blessed us with every spiritual blessing and has given us all that we need for life and godliness (Ephesians 1:3; 2 Peter 1:3), we just have to reach out by faith to receive them. My brother and my sister, this is how I have lived ever since God sent me to South Africa as a Missionary. I have never received a salary from anywhere. I came to this country with only R200 on the 26th of July, 2015 and no organization sent me here. I had to sleep in OR Tambo International Airport because I had nowhere to sleep. I could not afford sweaters, so I wore multiple layers

of clothes to keep warm. I am still here. I now have my own family and God is meeting all my needs and blessing my ministry. I did not beg. I hate to borrow. Even if I borrow I would still have to get the money to pay the debt by faith, so borrowing would not make sense. God has come through for me every time.

Get scriptures like Psalm 23:1, Philippians 4:19, Luke 6:38 or Matthew 6:33 where God promised to supply all your needs and keep confessing them over and over until your faith comes alive. Ask in faith, believing that you have received. When you do that, the angels of God go into operation to see to it that the word of God you have declared are fulfilled (Psalm 103:20).

It is important to maintain your confession of faith without wavering because God is faithful and will definitely fulfil what He has promised (Hebrews 10:23). Your confession should be *"I believe God has made a way for me, and I will soon see the miracle of the Lord. I am not moved by what I feel, I am not moved by what I hear, I am only moved by the word of God, and His word say that I have what I have asked for. Thank you Jesus..."* Then you pray and sing in the spirit. If you are tempted to get discouraged, start all over again, confess the scripture, make declarations and pray in the spirit.

While you are praying, listen to God for instructions. He will tell you what to do. Let me tell you a story. One day, while I was still in Bible School, my rent and school fees were due, and as usual, I did not know where they would come from. I prayed and stood in faith. The Holy Spirit led me to go to Standard Bank to get two deposit slips and fill them (I paid my school fees and rent in the same bank) and I obeyed. When I returned to the flat, my friend Tshepiso Malahlela and I were led to dance around the deposit slips. We danced and praised God until we were exhausted and God miraculously supplied the money. I have a lot of testimonies like that. The point I am making is that God will always tell you what to do, who to speak to, or where to go to receive your financial miracle. The fact is that your money is not in heaven; it is down here on earth. You have to meet the right person that has it for you to receive it, and God will tell you who he is and where to meet him when you listen.

3. Pray for other people who need a Financial Miracle

The bible says that The Lord restored Job's losses when he prayed for his friends and gave him twice as much as he had before (Job 42:10). The kingdom of God operates by love.

Love is the most powerful force on the earth. Everything, including faith works by love. And one of the highest expressions of love is prayer. It takes love to go to God on behalf of other people. One of the most important secret God has revealed to me for financial breakthroughs is to intercede for other people who need urgent divine intervention in their finances, just like I do. As I pray for them, God gives me my own. One time we had a need in our family. My wife and I had prayed about it and it looked like the answer was not forthcoming. I woke up early in the morning and went to sit in the lounge. I asked the Holy Spirit to show me what He wants me to do? He told me to send a message to the 117 people on my WhatsApp broadcast list, encouraging them to keep trusting the Lord to meet their needs. I began to get responses from people and committed to pray for them. My wife and I wrote down their names and began to pray for them. That same afternoon God sent us money from another country. This thing works like fire. I may not have a lot of chapters and verses to convince you that this works, but try it out for yourself. For example, if you know people who are trusting the Lord for financial breakthroughs send this book to them right now. I give you the permission to share this book freely. As the people prosper you also will also prosper. Like a man of God once said, "What you make happen for

others, God will make happen for you.” You will always reap what you sow. Sow the seed of encouragements. Sow the seed of prayer. Start today. Do it now.

4. Give Something

There will never be a time when you will not have a seed to sow. do not let the devil deceive you and rob you of your breakthrough. No matter how tough your financial situation is, there will always be something around you to give as a seed to provoke a financial miracle. When Elisha asked the widow we read about, “what do you have in your house?” she replied and said “I have nothing sir” even though she had a small jar of olive oil. As far as she was concerned, it was worth nothing. But the man of God saw it as a seed. God used the same ‘nothing’ to bail her out of poverty for life.

I remember a time when I was having a very challenging time financially, I had a lot of bills and there was no way of paying them. I was going to be humiliated, but I heard a message like this that made me realize that I had something to give to come out of that ugly situation. I had no dime in my bank account. Then I was thinking to myself,

“What seed do I have to sow right now to bail me out?” I realized that the most valuable item I had then was my iPad. I quickly took it to the church and gave it to the Lord. By some ‘mysterious way’ all those bills were paid. Material prosperity answers to material giving, not prayer and fasting. I heard of a brother in my home church, Faith Tabernacle, Ota-Nigeria, who gave his old pair of shoes, and walked home from church barefooted. That was the best he could give. Shortly the heaven opened for him and God put an end to poverty in his life. You have something, child of God. You are sitting on your seed right now and wondering when your ship will come home. Put a seed on the ground. Sell something you have and give the money to a ministry that is advancing the kingdom of God. What makes a sacrifice is never the size or the volume, but the cost. God is not looking at the size of the seed, but what the seed costs the sower. If you need a financial miracle, give a financial seed, because every seed produces after its kind. This may be what you have been missing the whole time. I have given shoes, wrist watches, suits, and all kinds of stuff. When I need a miracle, I seek to become a miracle for someone else. If you need a miracle, become a miracle. There is something you have that someone is praying to have, be the answer to his prayer and watch God answer your prayer. If you are struggling to buy

or build a house, assist someone who is struggling to pay his rent. If your ministry is struggling financially, find another ministry to give to. If you hoard your seed in the time of famine, you may never come out of it. If you refuse to give because the times are hard, your hard times may never end. No stingy man has a future of affluence.

“Some people give much but get back even more. But others don’t give what they should, and they end up poor.” - Proverbs 11:24 (ICB)

God is speaking to you right now. He has sent me to you as His privileged Prophet to help you get out of that financial pit. He has been trying to get through to you my dear friend. He organized for you to be able to get this book. What is He telling you to lay on the altar now? Do not delay. The earlier you sow, the earlier the process leading to your harvest begins. Until a seed gets into the ground, it never grows. God does not bless intentions, He blesses your obedience. Today is your day of salvation. Right now, I resist that spirit of poverty lying to you right now, and I command it to leave you and return no more in Jesus' name.

5. Don't Limit God

Nothing is impossible for God to do for you. If you can only believe, all things are possible for him who believes (Mark 9:23). God specializes in doing things that men consider to be impossible. I sense that God is about to do for someone reading this book what would have taken him over 50 years to accomplish. I release the anointing for increase upon you right now. God will open for you a door of business opportunity which you are not currently qualified to handle. But the Spirit of the Lord shall come upon you, and the power of the Most-High shall rest upon you, and the abilities of heaven shall rest upon you, even the Spirit of Wisdom and Understanding. God will send you faithful men, who He has ordained to help you before the foundation of the world, and the job shall be done, and the riches shall increase, and my will shall be done on earth, as it is in heaven, says the Lord.

The wife of that prophet supernaturally became an overnight oil dealer, with no experience or seed capital. Do not limit God, child of God. He is able to do exceedingly abundantly above all that you ASK or THINK, according to His power that works in you (Ephesians 3:20). How will your miracle come? According to His power, not according to your human connection, not according to your skills and

experience, and definitely not according to how much you have in your bank account. He will do it for you this year, in the midst of the global economic upheavals. Do not limit God. The only limit God has is the one you place on Him. Expect big, dream big and ask big. God will supply according to His riches in glory, not according to the economy of your nation, and definitely not according to how much you have. I curse whatever is making you think small in Jesus name. This is your time. It will happen by the finger of God. Do not worry about how God will bring it to pass.

Only believe

Only believe

All things are possible

Only believe!

6. Be Patient

There is a waiting time between the time you pray, or give and the time you receive your miracle. The thing we call 'instant healing' are actually God supernaturally speeding up the healing process. We are admonished to be followers of

those who through FAITH and PATIENCE inherit the promises.

“In order that you may not grow disinterested and become [spiritual] sluggards, but imitators, behaving as do those who through faith (by their leaning of their entire personality on God in Christ in absolute trust and confidence in His power, wisdom, and goodness) and by practice of patient endurance and waiting are [now] inheriting the promises.”

Hebrews 6:12 (AMPC)

God answers our prayers the moment we pray. Have you ever wondered why the answer to the prayer for money takes longer to manifest? I have thought about it too. I pray for the sick and they are instantly healed many of the time, but when I pray for money, it hardly comes instantly. One of the reasons God revealed to me is that there is no ‘middleman’ involved when it comes to healing. Jesus is the healer and when you lay hands on the sick, Jesus Himself heals him. But this is usually not the case with money. When you pray for finances, God answers, but He usually has to use a man to bring the money to you. This is where the problem comes in. Let us read **Luke 6:38** in the King James Version and observe something:

**“Give and it shall be given unto you; good measure,
pressed down, shaken together, and running over,
shall *MEN* give into your bosom. For with the same
measure that ye mete withal it shall be measured
to you again.”**

It is men that will give into your bosom after you have given. God will always use men to bring you finances. But the man must have to be willing and obedient to the leading of God to give to you. If they delay in coming, you have to wait and if they refuse, God will speak to another person to give to you. If you are in business, God would lead human beings, not angels to patronize you. When Satan knows that a person is supposed to give to you, because he is the god of this world and the person is operating in his temporary territory, he may attack the person's finances, and he would not be able to do what God has instructed him to do. The person or his relative may become sick, the person's car may suddenly break down and he would have to use part of the money he wanted to give to you to fix the car. This could cause a delay in your receiving your miracle. I don't know if you have experienced this, but several times, people made promises to do me some favor but when the time came, they had some challenges in their finances and could not make

good their promise. This was the devil's way of delaying my breakthrough. Satan knows that at least 10% of whatever God gives to me would be used for the preaching of the Gospel and God will be glorified, and he hates that. He will do everything possible to stop it. But thank God that we can resist him and he will have to flee from us (James 4:7). Sometimes receiving a financial miracle would require some form of spiritual warfare. You may have to take it by force in the name of Jesus. You must always command the devil to take his hands off your finances. Sometimes I pray, "Father I break the power of the devil on the finances of anyone you have ordained to be a blessing to me, in Jesus name." If someone promises to give you money, you should pray for them and speak blessings over their finances.

Sometimes God also prepares us for the miracle before he sends it. Money can destroy a person if he is not prepared for it. There is a kind of blessing that you are praying for that God knows you cannot manage now. He will have to prepare your heart so the blessing does not become a curse. While He prepares you for the one you are asking for, He will give you as much as you can handle now. A five-year-old boy may be asking his father for a BMW but his father knows he can't drive one yet. He may buy him a toy BMW to play with in the house. God is our father, and even though He can afford

anything, He will only give us what He knows is good for us per time. Please do not be offended with God. Do not give up if what you received is not what you prayed for. When you are due for a good thing He will not withhold it from you (Psalm 84:11).

Many times, the miracles you expect may not come all at once. But we must thank the Lord for every one we receive. Our appreciation for the miracle we received will be the application for the next. Do not be ungrateful. It is a killer sin.

I want you to pay very careful attention to what I am about to tell you now: Many times, God waits until the 'last minute' before He shows up. We may never understand why He does that. Remember He waited for Lazarus to die before He showed up. God is never in a hurry and He is never late. He is always on time. Until the miracle lands, keep on believing and maintain your stance of faith in God. Several years ago, I was trusting God for my rent, I prayed and gave to God. I stood in faith, confessing all the scriptures I knew about supernatural supplies but the money did not come. Eventually I was evicted from the apartment in a very humiliating way. I was so embarrassed. I did not get angry at God, I simply went to the school library and was just looking up some pictures on the internet to keep my mind away from

worrying. I knew that God would surely intervene. Someone who heard about my eviction went to speak to the owner of the house he was living in, and they asked him to come fetch me to live in that house. I lived in that house for over 16 months without paying a cent for rent and food. God did not just meet my need for shelter, He also met my need for food. Having two meals a day in those days was a miracle. God did not answer my prayer for money to pay the rent for that room I was sharing with two other people, but He sorted 16 months of rent and food. Many times, we have to allow the worst to happen. Let the embarrassment happen. Let the disappointment happen. The worst may become the seed for the best that God has for you. When God shows up, He will always give you more than you asked for. He gives according to His size, and He is a big God. He will turn what the devil meant for evil against you to a testimony. I have a lot of testimonies of God's '11th hour' interventions. He may not show up when you want Him to show up, but when He shows up He will show off with your life.

“And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart.

Galatians 6:9

Finally, I want to encourage you to keep your eyes on God alone. Even if you seem to be experiencing a delay, hold on. People borrow because they think God is too slow or that He does not want to answer us. No, child of God. If you would wait a little longer and be still, you will see the salvation of the Lord (read Exodus 14:13 and Lamentation 3:26). Destroy your 'Plan B' and resist every temptation to borrow. Let the worst happen. Tell God, *"I trust in you alone and I know you will surely come through for me, and until you do I will not look elsewhere."* That is what we call 'violent faith'. This kind of faith gets God committed. Let us stop this thing of saying "I trust God" while at the same time, we are browsing through our phones looking for who to call to lend us some money. Make God your only source. Put ALL your trust in Him and you will NEVER be disappointed. God has never disappointed anyone who trusted in Him. In the name of Jesus, I ask for grace to be still.

7. Don't use up your Financial Miracle

Be a good steward of the finances God brings your way. Only a fool eats up everything he gets. God expects you to multiply the financial resources He gives you. Save some and

invest some. God wants you to have a reserve so you can be a blessing to other people when He asks you to.

“And God is able to make all grace (every favor and earthly blessing) come to you in abundance, so that you may always and under all circumstances and whatever the need be self-sufficient [possessing enough to require no aid or support and furnished in abundance for every good work and charitable donation].”

2 Corinthians 9:8 (AMPC)

PROPHETIC BLESSINGS

Place your right hand on your forehead as I proclaim these blessings on your life.

“In the name of Jesus Christ, I release you into a season of financial miracles. I decree that your days of lack and want are over. I release you into your open doors. May you begin to experience daily financial breakthroughs. May God begin to flood your mind with divine ideas, creativity, and innovations that will turn you into a commander of wealth. The devourer eating up your finances is rebuked in the name of Jesus. I speak multiple promotions for you. May the hand

of God drop you in the places where your miracles are waiting. I declare that it is well with you, in Jesus' name.” Amen.

I expect testimonies from you. God has assured me that many testimonies of financial miracles will come from people who will read this book and I know that yours is one of them. I would like to rejoice with you and seal your testimonies as we pray together.

Send me an e-mail odhsamuel@yahoo.com. God bless you.

PRAYER FOR SALVATION AND BAPTISM IN THE HOLY GHOST

The Bible says "If you confess with your mouth the Lord Jesus and believe in your heart that God has raised him from the dead, you shall be saved. For with the heart one believes unto righteousness, and with the mouth confession is made unto salvation" (Rom. 10:9-10).

If you want to receive Jesus as your Lord and Savior and be born again say this prayer from your heart:

"Jesus, you are my Lord. I believe you died to take away my sins and God raised you from the dead. I receive your salvation right now and I believe that I am now a child of God."

That's it! You have become a brand-new man. Your old life of sin is dead and gone (2 Corinthians 5:17).

If you want to receive this baptism in The Holy Ghost right now, lift up your hands, close your eyes and say this prayer aloud,

"Jesus, I ask you to baptize me with The Holy Ghost and Fire right now, and give me the ability to speak in other tongues. I believe I receive it right now and I thank you sir."

Now open your mouth and begin to speak in tongues

loud and fast. Don't allow Satan to lie to you and discourage you. You have asked and you have received
