

JESUS HEALS HIV/AIDS

As you read this message, faith will arise in your heart and the same Spirit that raised Jesus from the dead will enter into you and destroy every sickness and disease in your body. Expect this!

No sickness or disease is incurable for Jesus. He has power over all the works of the devil (including sin, sickness, and death). His mission on earth was to destroy the works of the devil (1 John 3:8). He was anointed with the Holy Ghost and power to deliver people from the oppression of the devil (Acts 10:38). He healed all kinds of sicknesses and diseases (Matthew 4:23-24). The good news is that He has not changed, He still heals today (Hebrews 13:8). He wants to heal you right now if you will only believe.

Don't disqualify yourself. You may say, "But I got HIV/AIDS because of the sinful things I did". That may be true, but more true is what Jesus Christ did for you. He paid the full price for all your sins when He died on the cross. God placed all your sin on Him. If you will repent from your life of sin and put your faith in Jesus Christ, your sins shall be wiped clean and you will become a new person (Acts 3:19). If you will acknowledge and confess with your lips that Jesus is Lord and in your heart believe that God raised Him from the dead, you will be saved from sin and become a child of God (Romans 10:9). If you want to receive Jesus and be born again, say this prayer from your heart.

"I come to you dear Lord Jesus as a sinner. I believe you died for my sins and that God raised you from the dead. I receive your gift of salvation right now. I believe that I am now a new person, and all my sins are gone. Thank you for saving me. I ask you Jesus to baptize me with your Holy Spirit and give me the ability to speak in tongues. Amen."

Congratulations! According to the word of God, you are a brand new person. Your old life is dead and gone (2 Cor. 5:17). Sicknesses and diseases came after Adam and Eve disobeyed God (Romans 5:12). Now that you have been saved from sin, you

have been saved from the bondage of sickness as well. Jesus paid for your sin and sickness at the same time. See what the Bible says in 1 Peter 2:24 **“He personally bore our sins in His [own] body on the tree [as on an altar and offered Himself on it], that we might die (cease to exist) to sin and live to righteousness. By His wounds you have been healed.”**

His blood was shed for the remission of your sin and His body was wounded for your sicknesses to be healed. As a child of God, divine health is your heritage. Your healing has already been paid for, you just have to claim it. You can claim your healing from HIV/AIDS right now. Say this prayer out loud and you will be healed by the power of God:

“Lord Jesus, I believe that by your wounds I have been healed. Right now I curse the HIV/AIDS virus and any other sickness in my body and soul. I call my blood healed. I receive healing for every part of my being. I receive the life of God in my body. I declare that I am healed from the crown of my head to the soles of my feet in Jesus’ name. Amen.”

I want to assure you that God answered your prayer. He cannot lie. He promised to do whatever you ask in His name (John 14:13-14). From today look out for improvements. The symptoms will start disappearing one by one. Go for a blood test. Some people will be declared HIV negative immediately, for others, it will show in a subsequent test. But do not be moved by the result, if you will hold on to the word of God, “By my wounds you are healed” and refuse to give up, it will change every negative medical report. But I assure you that from the moment you said "amen", HIV/AIDS was uprooted. The life of God came into your body and destroyed the viruses. You will soon get a good report. Do not doubt. God CANNOT LIE!

Finally, I admonish you to be determined to live a holy life. Don't go back to your old life of sin. Jesus warned the lame man He healed, “See, you have been made well. Sin no more, lest a worse thing comes upon you.” (John 5:14). Sin opens the door to Satan to afflict you with sicknesses, diseases, and all manner of misfortunes.
